THE PROBLEM

1. Lack of Authenticity
 2. Misinterpretation
 3. Lack of Human Connection
 4. Over-reliance on Technology
 5. Ethical Concerns
-

THE SOLUTION

1. Lack of Authenticity:

- Partnership with experienced tarot readers/experts
- Provide resources & educational materials

2. Misinterpretation:

- Utilisation of advanced algorithms and machine learning to analyse patterns and provide more accurate readings.
- Add features such as user feedback and ratings

3. Lack of Human Connection:

- Add features that allow users to interact with tarot readers or other members of the community.
 - live chat or video calls with readers
 - discussion forums or groups

4. Over-reliance on Technology:

- Prompt users to reflect on their own experiences and insights.
- Use of artificial intelligence to augment the readings

5. Ethical Concerns:

- Transparent about our data collection practices and how they use and protect user data.
- Add features such as user privacy settings or encryption
- Partnerships with related organisations: to ensure that our content is aligned with industry standards.
